soldier of fortune 2 multiplayer game Soldier of Fortune 2: Double Helix, the sequel to the well-known Soldier, is released on April 11, 2001, by GT Interactive. It is a remake of the original shooter Soldier, and it is also the first installment of the sci-fi action series. The original version of this title is included in the Ultimate Soldier of Fortune Pack that supports 10.1 graphics, contains 6 maps, 4 different weapons and a ton of modifications, as well as an original story and additional content (more Weapons, variants of the game and weapons, and many other extras). Despite it is a remake, this game was never cracked.
