I am trying to convince you once again that this cannot be a mere coincidence. But I have the same combination. - But I have two answers to this - either you both got here from different time streams and both from the future, or it's some other, parallel stream. - Which option do you offer? - I think it's different, parallel. And if so, then perhaps I am not mistaken in my reasoning. - I would like to believe that it is so. - And I want it.
