From the developers of Planet Coaster and Zoo Tycoon comes the ultimate zoo sim, featuring authentic living animals . Planet Zoo is a simulation video game, in which you must build a zoo to create a habitat for the animals. You must manage your zoo by supplying the animals with food and housing, as well as feeding and caring for the animals. You must be creative in building the habitats for the animals because every animal has different needs in terms of shelter. Some of the animals require indoor housing, while others need habitats with a pond or sea for swimming.
